

Message from MUST President,

The Medical Ultrasonic Society of Thailand (MUST) is a non-profit organization dedicated to the advancement of medical ultrasound by encouraging research, promoting international cooperation, disseminating scientific information, and improving communication and understanding.

We aim to bring sustainable ultrasound programs to the underserved areas of Thailand to improve local healthcare through collaboration, communication, and education.

MUST is an active member of the World Federation for Ultrasound in Medicine and Biology (WFUMB) and the Asian Federation of Societies for Ultrasound in Medicine and Biology (AFSUMB). We also provide a membership program for those who have a special interest in a proper use of ultrasound in their practice or an interest to conduct a high quality researches in the field, so that they can be updated for relevant information from MUST. For more about membership application, please go to 'membership'.

We sincerely invite all of you to join MUST and take part in the improvement of ultrasound in medicine in Thailand.

Associate Professor Walailak Chaiyasoot, M.D.
